Asian and Australasian Regional Section
WFSA - Xijing Training Center Fellowships

On behalf of the AARS board, I am pleased to announce that a Fellowship training program in Anaesthesiology will take place in Xi’an, China. The Xijing Hospital, first affiliated hospital of Fourth Military Medical University will host this program. Shenzhen Mindray Bio-Medical Electronics Co. Ltd has agreed to sponsor 15 anaesthesiologists selected from Asian and Australasian Regional Section (AARS) member societies to attend the training courses.

The fellowship is intended for anaesthesiologists working in low resource settings from member societies who wish to:

1. Promote the exchange of anesthesia, medical and clinical management in the Asian Australasian region
2. Reduce the incidence of anesthesia related adverse events
3. Exchange and promote the application of advanced technologies

Details of the training programs:

- There will be three courses in the year of 2015, each lasting for 1 week. (including 2 days for transportation and 5 days of training)
- Five candidates from member societies will be selected to attend each course
- There will be 15 fellowships in total for the AARS member societies
- Commencement date of the first training course will be 29th March 2015

Course content

- Discipline construction and management
- Clinical advances and new technologies
• Updates to the latest guidelines
• Workshop simulations, demonstrations and practice for related skills
• Operating room tours will be available to all

**Expenses**

Shenzhen Mindray Bio-Medical Electronics Co. Ltd will provide funding to cover the costs, including local accommodation, meals, registration, insurance and round trip travel expenses on economy class for the 15 participants.
