Motivation of my application for the WFSA Secretary position

What I can offer:

1. Experience as a practicing anaesthesiologist, teacher and professional leader, well connected worldwide
2. Good insight into the global anaesthesiology important topics, such as workforce, patient safety, professional diversity and gender balance
3. Commitment to make anesthesiology practice safer for patients, safe and more attractive for professionals, visible and respected by public and politicians.

Ideas for future development of the WFSA:

1. Worldwide implementation of the Helsinki Declaration on Patient Safety in Anaesthesiology
2. Developing quality indicators for anaesthesiology practice
3. Sharing and developing clinical guidelines for practice
4. Increasing the visibility of the anaesthesiologists’ role outside the operating room, as leaders or members of the medical team carrying for the patients perioperatively and for the critically ill patients
5. Increasing the relevance of the WFSA for its Members and for practicing anaesthesiologists; increasing the number of WFSA Members
6. Defining the benefits and responsibilities of the Regional Sections; strengthening collaboration between Regional Sections and Member Societies of the WFSA
7. Supporting Members’ actions for implementation of the WHO resolutions relevant to anaesthesiology
8. Supporting Members in development and implementation of National Surgical, Obstetric and Anaesthesia Plans
9. Collaboration between Members and with international bodies on anaesthesiology major topics
10. Supporting and strengthening the WFSA Secretariat, developing policies and procedures to facilitate coordination of the activities.
